Centralized Airport & Transportation Security Administration

TSA / CATSA Infrastructure
BASIC / ACIS Interoperability

Central Identity Database

TSA/CATSA Identity Screening Databases
- Fingerprint Matching
- FBI Criminal History
- NACI
- Federal Government vetting services
- Etc.

Airport-specific Infrastructure

Biometric Capturing & Scanning
Iris and Fingerprint Scanning Devices

Credentialing
Smartcards, PIV Cards, TWIC Cards, CAC Cards Encoding

- BASIC Interoperability / SDK
- ACIS Interoperability / SDK
- TWIC Interoperability
- PIV / FIPS 201 Compliance

SAFE Enrollment Station

SAFE Airport / Port Physical IDM System

- Identity Management & Record Storage
- Biometric Database
- Card Management
- Policy/Rules Management
- Id Vetting & Verification
- Id Enrollment and Approval
- PACS Provisioning / Revocation
- Physical Access Management

PKI Infrastructure

SAFE Applications
- Physical Identity Management (P-IDMS)
- Centralized Web-based Badging (CWB)
- Self-Service Access Manager (SSAM)
- Compliance Regulator (CR)
- Visitor Manager

PACS
- Honeywell
- CCURE
- Lenel
- AMAG
- Other Brands

Airport-Specific Physical Security Applications
- AVOP
- Building Management System
- CCTV
- Parking Management
- Incident Management

IT Applications
- HR (SAP, PSFT, etc.)
- CMS Systems
- LDAP Active Directory
- Other Applications
